

## CRYPTON WARRANTY

---

You have purchased an innovative fabric. Because of its high performance we can provide you with the following guarantee:

Crypton LLC guarantees Crypton for use in indoor upholstered furniture for sixty (60) months from the date of purchase. We will replace the fabric or refund the purchase price of the fabric, if Crypton fails to perform in normal use as a liquid barrier.

This warranty supersedes any and all other warranties, expressed or implied, including but not limited to, any implied warranties of merchantability and/or fitness for a particular use. This warranty does not cover damages or decreased performance related to punctures, tears, or excessive wear. This warranty also is not applicable to color loss or improper furniture manufacturing or design which results in unsealed seams or holes in the fabric. Crypton LLC disclaims all liability for incidental or consequential damage including, but not limited to, fabrication or installation costs.

### IMPORTANT

- Certain clothing dyes (such as those used on denim) may migrate to materials and cause permanent damage. This is called denim dye transfer. This type of contaminant stain is not covered by warranty. We do offer cleaning tips that can be found here: [www.crypton.com/support/cleaning-care/](http://www.crypton.com/support/cleaning-care/)
- The customer is responsible for cleaning as outlined in the Crypton Recommended Cleaning Instructions. [www.crypton.com/support/cleaning-care/](http://www.crypton.com/support/cleaning-care/)
- If fabrics are damaged due to lack of cleaning, improper cleaner or misuse of cleaning agents (outlined above) warranty is void.
- Warranty is void if fabric treatment is applied.

We hope you enjoy your Crypton fabric and look forward to serving all your fabric needs!
