1
Wave Perch (\$100-\$150)
UrbanPetHaus.com

Urban Pet Haus will have your kitty lazing in style with the Wave Perch. Easily mounted on a wall, the Wave Perch offers your finicky feline with stylish bedding for those afternoon catnaps.

2
Dublin Dog Tag and Collar (\$15-\$26)
DublinDog.com

The key word is "style" with DublinDog.com accessories. Take the All-Style-No-Stink Collar, for instance — it's handcrafted, tough, waterproof, nonporous, and easy to clean. And with the Dublin Dog Tags, everyone will know the name of your dog, info on your dog (up to four lines of copy), and just how fashion forward you are for choosing such cool doggie accessories.

3
Wooden Folding Pet Gate
StacksandStacks.com

When it comes to barricade your dog, this is the most slim—until now. With the 3" wide gate from Stacks and Stacks, you can easily create pet barriers in your home. Made of hardwood, this fence can be placed in any doorway without damaging the door.

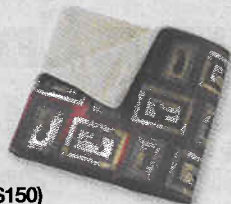

5
Wall Painting (\$160-\$500)
TurtledoveDesigns.com

Pictures beautify any room, but why settle for off-the-rack art when you could hang a painting created just for you? With Turtledove Designs by Kimberly Santini, you can purchase a custom-made picture of your beloved pet. Simply send in a snap shot of your family fur ball and Santini will paint his/her portrait. Proceeds from each sale go to an animal shelter in the artist's community.

PRETTY AND PRACTICAL

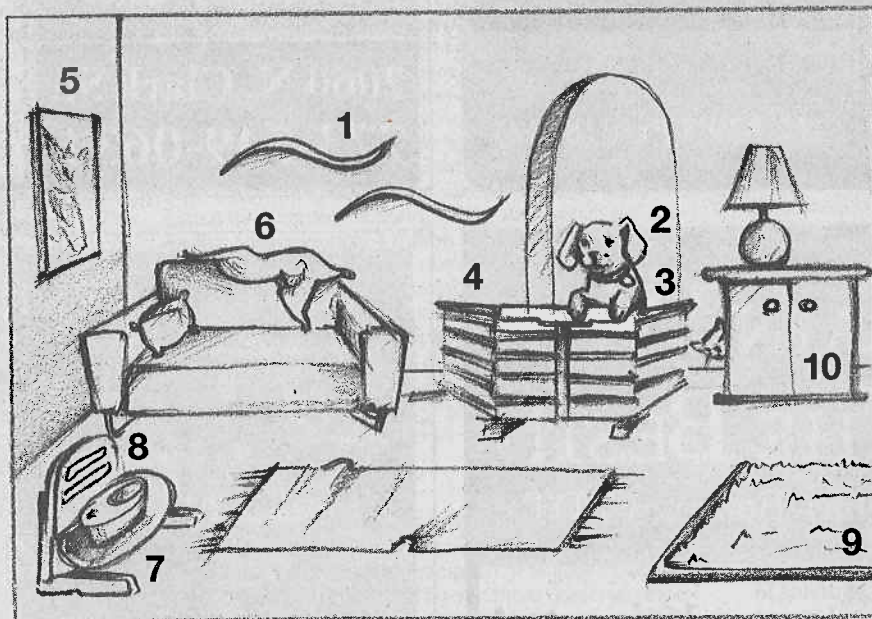

These stylish pet accessories are as attractive as they are functional

6
Crypton Throver (\$150)
CryptonFabric.com

All pet guardians are faced with the same challenge when decorating their home—pet hair. Now you can keep your upholstery hairless with the Throver by Crypton, Inc. This chic machine-washable blanket not only protects your furniture from pet hair, it's also stain, moisture, and odor resistant. No pet home should be without one!

10
Refined Litter Box
RefinedKind.com

Tired of looking at your litter box? With the Refined Litter Box from Refined Kind, your cat's litter box is as stylish as your cat's litter. This lovely wood-grain litter box is as functional as it is beautiful. Available in a variety of colors and finishes, it fits into any room for left or right-hand use. The Refined Litter Box fits into any room and is completely unnoticeable.

7
Richell Doggy Dining Table (\$45)
RichellUSA.com

Does Fido's feeder move across the room when he chows down? With the Doggy Dining Table from Richell, food and water bowls stay securely in place. This beautiful hardwood table adjusts to five different height levels, accommodating any sized dog. Let the feeding frenzies begin!

8
Zen Bowl (\$26-\$32)
WetNoz.com

Make over your pet's dinnerware with the two-toned designs of Zen Bowls from Wet Noz. Made from a blend of bone china and porcelain, these stunning bowls are ergonomically designed to accommodate the needs of your pets. And you'll never have to hide dirty pet food bowls again when company arrives!
